

THE LEGACY PROGRAM

Your Legacy Gift will help the Langlede County Humane Society to continue its mission to care for unwanted and stray animals of our community. We encourage you to consult your attorney, accountant and financial advisor to determine the type of gift that is right for you. If you wish to discuss the Legacy Gift Program, please contact an Officer or a Board Member and complete the following:

THE

Our Mission

The Langlade County Humane Society's mission is to provide care and treatment for all animals needing protection in the area of Langlade County, to provide relief of suffering among these animals and to provide humane education to the community. We find loving homes for the animals in our care and return lost animals to their owners.....

Our History

The Langlade County Humane Society broke ground for the Animal Shelter on August 27, 1986 and began operations in early 1987. We are run by a Board of Directors, elected by the Members and governed by our Bylaws. We are a "No-Kill" shelter. We rely on charitable contributions to operate and serve the needs of the homeless animals in our area. We have a very active volunteer Board with Members directly involved with many aspects of Shelter operations.

LEGACY

Make a Legacy Gift to Help Save Animals

"Legacy Estate Gifts"

Legacy gifts (often called "Planned Gifts") are a powerful way to help the Langlade County Humane Society continue our mission long into the future.

Legacy gifts can take many forms, but all share the unique characteristics that they allow you to ultimately donate more than you may have ever thought possible to help save the animals.

The most important component of effective estate planning is identifying the people and organizations that you want to be beneficiaries of your assets.

One of the easiest ways to leave a charitable legacy to the Langlade County Humane Society is through a provision in your will stating your intentions:

Many
Volunteer
Opportunities

PROGRAM

- Gifts in a specific dollar amount
- A percentage of your estate
- Specific item or property

Another simple and inexpensive way to leave an animal-supporting legacy is by making the Langlade County Humane Society the beneficiary on a life insurance policy if that policy is no longer needed for its original purpose.

We have also created the:

Legacy Investment Fund

The Fund was created with Thrivent Financial Services. For information you may contact one of our Board Members or call Financial Advisor, Nathan Musolff, at: 715-350-4125

Legacy gifts will allow you to enjoy specific tax advantages as well, so we always recommend that you consult with your financial advisor or attorney to help you plan and explore options.
